IMC recently sponsored AFOA Canada's National Conference in Halifax, a premier event dedicated to advancing Indigenous management, finance, and governance across Canada. This conference serves as a vital platform for the exchange of knowledge and ideas among Indigenous financial professionals. Chief Administrators/Executive Officers, Program and Business Managers, Chiefs, Tribal Council members, government representatives, and consultants working alongside Indigenous communities. Attendees gather to explore innovative strategies and tools that strengthen finance, management, and leadership in Indigenous communities and organizations.

Bob Fitzpatrick remarked, "AFOA is a key supporter of indigenous initiatives and communities. We are honored to continue our commitment to Indigenous causes through our sponsorship of AFOA's 23rd National Conference."
